

TURF DATA SHEET

TURF TYPE: JT9 GOLF / BOWLING GREEN

DETAILS

JT9 is suitable for golf and bowling greens and luxury lawns and requires skilled, and regular maintenance. The fine-textured sward is grown on natural sands that are very close to USGA spec. It has a dense, close-mown sward to produce the perfect putting surface.

TYPICAL SEED COMPOSITION

Grass Species:

40% **CEZANNE** Slender creeping red fescue
40% **MUSICA** Chewings fescue
20% **MANOR** Browntop bent
